Why PretX Bootcamps?

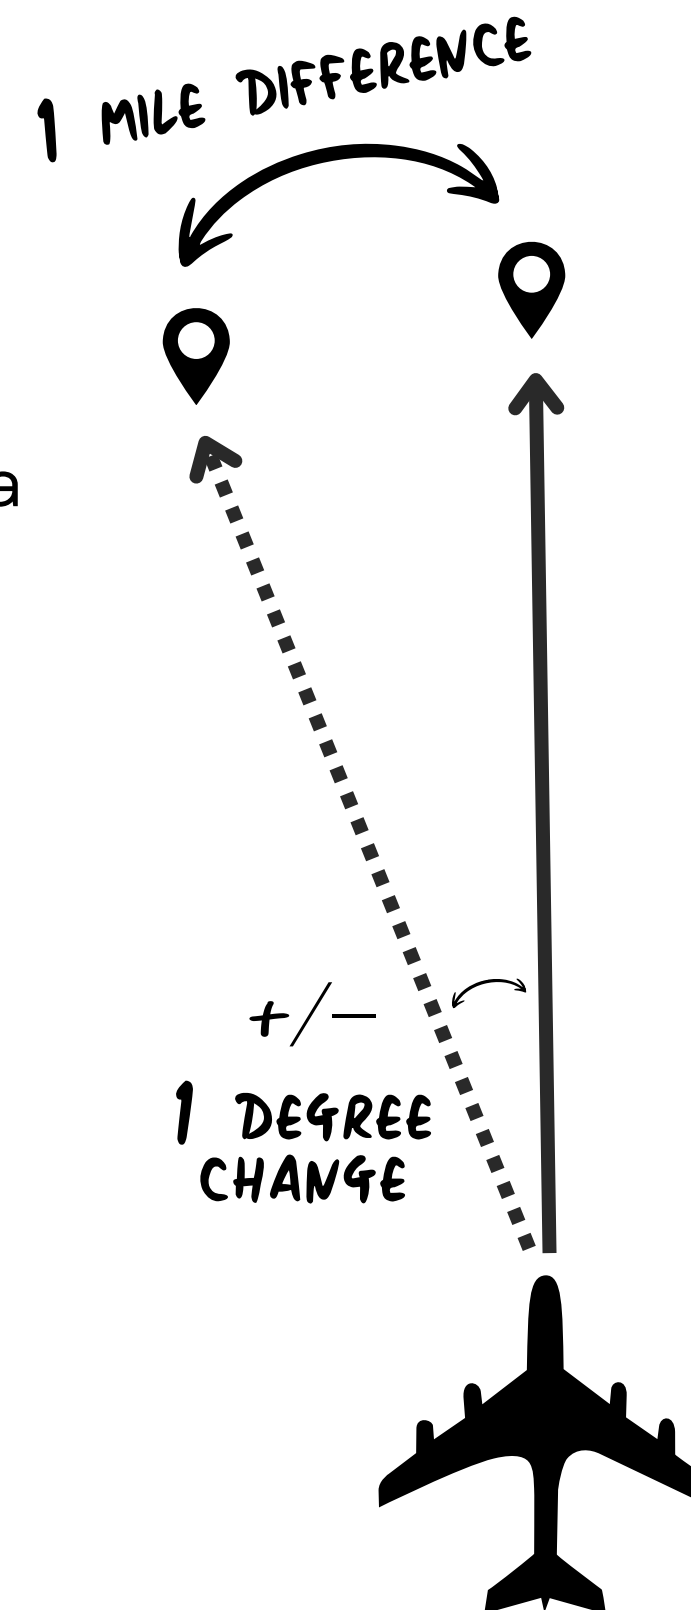

The 1 in 60 Rule

In air navigation, the 1 in 60 rule states a 1 degree change in course results in a 1 mile change in destination over 60 miles.

Similarly, a student's experiences in the world around them will lead to decisions that significantly influence the course of their study and work careers.

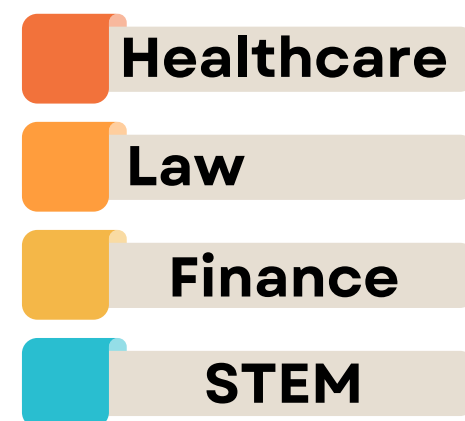

We aim to assist students in their career decision-making through;

- curated workplace experiences that are immersive and “hands-on”
- access to expert mentors in their daily working environments
- building deep industry knowledge while being guided through various roles and career options available

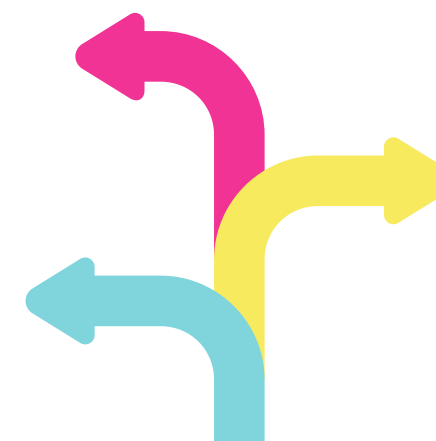

Key Learning Objectives

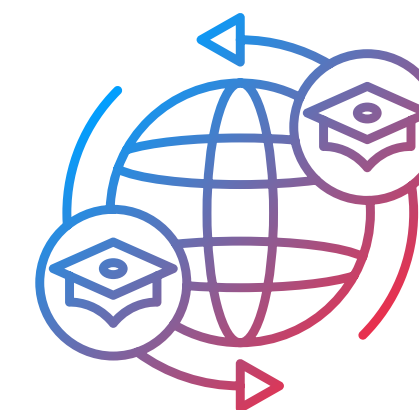

Career Industry Knowledge

Understanding career paths in various industries ecosystem from seasoned experts and global organisations

Uncovering interest areas

Sample and experience a variety of different disciplines and professions within various industries

Planning your next move

Gain greater conviction, confidence and direction, and formulate strategies to chart your academic and career pathway next steps
