SINGAPORE EDUCATION SYSTEM

Best In The World

Singapore's education system is among the best in the world, as it consistently strives to provide high quality education through the years. This has been proven by international rankings, such as those published by OECD in its Programme for International Survey (PISA)*. PISA has continuously placed Singapore in the top two highly ranked countries in reading, mathematics and science in the past 10 years.

SINGAPORE EDUCATION SYSTEM

4 Key Benefits of Studying in Singapore

The Singapore school system is considered one of the best in the world. This is not only restricted to high schools, but also at the university levels - with the National University of Singapore ranked #1 in Asia and outperforming renowned institutions.

01 — Globally Recognised High School Programs

- Apply to top universities around the world using International Baccalaureate (IB) Diploma Certificate or Singapore GCSE 'A' Level Certificate

02 — English and Mandarin as Primary Languages

- Subject matter is taught fully in English
- Second language is required; students typically choose Mandarin or Korean

03 — Pathway to Top Singapore Universities

- Pave the way to enter National University of Singapore (#11)* and Nanyang Technological University (#12)*

04 — Good Value for Investment in Education

- Annual school fees average S\$24,000 to S\$40,000, comparable to international schools in Korea, and more affordable than the US and UK
